FORWARDS
Rotary Club of Peterborough. April 2019

Diary:
Tuesday 2nd April Charter Night.
Tuesday 9th April Committees. (lunch).
Tuesday 16th April Talk by Malcolm Wells MBE PHF: So far so good (lunch).
Monday 22nd April Bunny Fun Run at Ferry Meadows
Monday 22nd April Bordeaux River Cruise
Tuesday 30th April Club Council & AGM (lunch).

Just like Manchester United the club finally bowed out of a Quarter Final at Minor Sports at Boston on Wednesday 28th March. The good news is that we did not lose, the bad is that we did not win having drawn 17-17 and luck ran out on the toss of a coin. Closing the A16 allowed more fun and games later with a mind teasing detour. Practice sessions will have to include Shut the Box. There is still next year.

Charter Night comes immediately after the issue of the newsletter and hopefully all who attend will enjoy Air Vice Marshall Graham Williams who is the speaker about his experiences with the Royal Air Force

Easter Monday is a special day when the club will hold the second Easter Bunny Fun Run starting at 10.00 at the Information Centre at Ferry Meadows over a 3 kilometre course that is on the footpath adjacent Overton Lake. Remember you can enter on line at www.ticketsource.co.uk or on the day under the canopy at the cafeteria. Adults £5.00 and children £2.00. There are prizes for the best Easter Bonnet and costumes as well as mini eggs for all participants.

Finally try to get a copy of Nene Living. On page 9 there is an article on the David School in Sierra Leone and completion of the water tower funded by the club and now supplies water for the first flushing toilet facilities in the district.
