Thursday 5th September Golf Day at Peterborough Milton Golf Club

At the end of the Rotary year the club were able to donate monies to a large number of charities as well as Rotary Foundation, the charity of Rotary International that funds projects locally and abroad. NSPCC, Scouts, St. George’s Pool, Olive Garden, Friends of Phoenix School, the Cancer Treatment Appeal, the Mayors Charities, East Anglian Children’s Hospice and Macmillan Cancer Relief all benefitted.

At the end of term we were able to donate Usborne Dictionaries to Fulbridge Academy Primary School, one for each of the thirty classes. Peterborough Ortons issued to other schools.

To be able to do this members of the club organise events of a variety of types to appeal to a whole variety of people both young and old and to learn about the opportunities of joining Rotary as a member or being kept in touch with activity.

Hopefully the extremes of climate will not occur on 5th September when we attempt to hold our golf day at Milton. 38.7°C and then two days of deluge were not fun.
