- Tuesday 10th December: Committees. (lunch)
- Tuesday 17th December: Christmas Carol Supper with the Salvation Army
- Tuesday 7th January: Club Council. (evening)

Despite a wet November there has been much activity in Peterborough, the nation will always remember, particularly this year the 75th anniversary of D Day.

Throughout the year Peterborough Rotary carries out a number of collections, including used spectacles and ink cartridge cassettes, we are happy to receive any you may have. In November some members assisted collecting for the Teenage Cancer Trust whilst others enjoyed a Minor Sports battle with Ramsey Rotary.

Charitable donations have been used made for a variety of causes including two automated cats purchased for the Crocus Café and new Christmas toys for young children at the mother and baby unit at the Peterborough Prison.

In the run up to Christmas December sees a visit to Rockingham Castle and a special Carol Supper with the Salvation Army which is the largest national charity looking after the homeless and needs as much support as is possible.
